

Tulane Downtown Campus Recycling System

Building by Building

The Downtown campus collects recyclables “single stream”: All paper, plastic bottles, metal and aluminum cans, and chipboard (i.e. cereal boxes) can be placed together in recycling bins. Cardboard should be emptied, flattened and set in the hallway for pick-up.

Medical School

Recycling bins located in copy rooms and break rooms are emptied by custodians. Recycling bins are located in the student lounge and will be placed in the dining area. Individuals can also bring their recyclables to the black SDT recycling totes, which are located near the service elevator on the 1st, Mezzanine, 2nd, 4th, 5th, 6th, 7th floors. The tote on the 8th floor is temporarily located near room 8557.

J. Bennett Johnston Building

Recycling bins located in copy rooms and break rooms are emptied by custodians. Individuals can also bring their recyclables to the black SDT recycling totes, which are located near the service elevator on the floors 1a, 2,3,4, and 5.

Tidewater Building

Recycling bins located in copy rooms, break rooms and classrooms are emptied by custodians. Individuals can also bring their recyclables to the black SDT recycling tote located on the first floor near the Fed Ex drop off box.

Deming

Recycling collection totes are located outside the back entrance, on the way to the trash dumpster. Please do not place any recyclables or trash on the ground, as it is important to keep the building exits clear.

Elks Place

Recycling bins located in copy rooms and break rooms are emptied by custodians. Individuals can also bring their recyclables to the black SDT recycling tote, which is located on the second floor, near the Coke machine by the Student Health Center.

Clinical Research Center

A recycling tote is located near the entrance to the building.

Murphy Building

Recycling bins located in copy rooms and break rooms are emptied by custodians. Individuals can also bring their recyclables to the black SDT recycling tote, which is located in the mail room on the first floor.
